## Cell 2

### Wire-Free Smart Security Camera

Full  Color

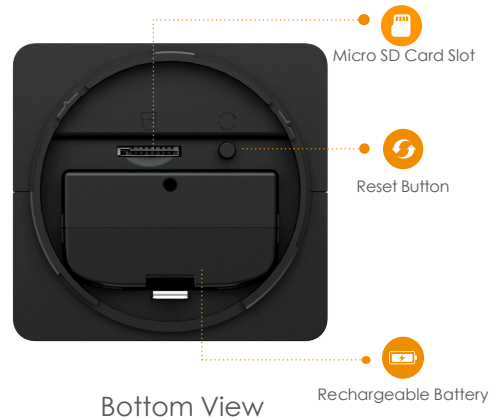

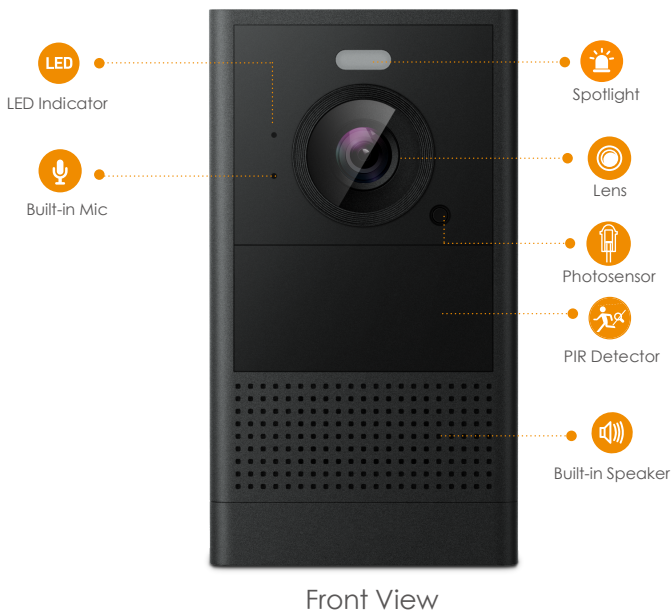

Cell 2 delivers 4MP live monitoring to see clearly what is happening in and around your home. Its rechargeable-battery can provide half-year security from 1 charge. Human detection technology enables the camera to intelligently detect body shape. Ensuring you are only alerted when a person, and not a stray cat, approaches. It supports four night vision modes for clear-as day clarity even in pitch dark.
