

The **best entertainment** you can give to your guests is the entertainment they **bring from home**

Choosing the right mix of TV services for your hotel used to be a headache. But with today's explosion in demand for streaming services, you no longer need to think too much – guests would rather keep watching the services they use at home.

With TRIAX Cast, you can offer guests a true homefrom-home experience by letting them bring their own favourite programmes and watch them on the in-room TV. And by giving them the best possible in-room experience you will also increase your guest's loyalty.

Satisfy guests, improve loyalty

Benefits for your guests

- Guests can watch their own favourite content
- Easy and intuitive to use
- Private, secure connection in each room
- Supports all iOS and Android casting-enabled apps

Benefits for your hotel

- Improve guest loyalty with up-to-date technology
- Dependable solution based on Google Chromecast
- Cost-effective in-room entertainment offer
- Compatible with any TV
- Easy system management and monitoring
- Avoid theft and tampering with TRIAX CastLock

Easy to install, privacy focused

Install and configure TRIAX Cast in a flash, using Google Chromecast securely attached to each TV with the TRIAX CastLock, protecting it from theft and tampering.

Via the unique information displayed on the in-room TV, a private and secure connection is established to the guest's device via the TRIAX Cast server.

Guest privacy is assured, with every session unique to the guest, their room, and their device, and terminated at checkout.

Cast away, just like home

As easy as 1, 2, 3:

Connect to hotel WiFi

Scan QR code to connect to Chromecast

Open your preferred app
Tap the **cast** icon

Partner Contact Information

TRIAX is a global supplier of reliable, innovative products and solutions for the reception and distribution of video, audio and data signals.

We merged in 2021 with Ikusi Multimedia, with a shared vision of being our customers' preferred connectivity partner through cutting-edge technological leadership.

Our Products are used in homes, businesses and operator networks by broadcasters, satellite, cable and telecom operators.

Our Solutions combine our hardware and software expertise to deliver value to hospitality and related markets, through a partner network of system integrators, large installers and operators.

Our combined company of 260 employees is jointly owned by Polaris Private Equity and Velatia Group. See www.triax.com for further info.
